TAFE NSW will deliver this course.

This school based traineeship is designed to equip students with the skills to work in the nail technology area, providing services in nail enhancement and nail art.

During this traineeship you will develop skills to:
- effectively apply and maintain various types of nail extensions
- decorate the nails of clients using a variety of techniques, adornments and creative nail designs
- give a professional manicure and pedicure
- deliver service to customers and respond to customer complaints
- receive and process sales orders and identify and respond to customer’s special requirements

Outcome

- A career path into the Nail Technology and Beauty Services industry.

Course delivery

Both on the job and off the job and can be delivered face-to-face, flexibly or mixed mode

Commitment required

Undertake a minimum of 100 days in paid employment and training.

Undertake Certificate II Nail Technology SIB20210 as part of your HSC.

The employment and training can be undertaken during school time, after school and during school holidays.

How will you be assessed?

Both on the job and off the job through written tests, project work & practical exercises.
