To ensure maximum safety for clients and students alike, the following requirements must be met by all employers of NSW School Based Trainees in the Disabilities sector:

- The School Based Trainee is not included in the necessary client: staff ratio of the employer
- The employer has a risk management policy and procedures guideline in place for staff which includes staff under 18 years of age
- School Based Trainee must not work alone with disabilities clients at any time
- School Based Trainee must not work during any night shift
- School Based Trainees must not transport clients by themselves
- School Based Trainee must be supervised by an appropriate and competent Disabilities worker at all times
- The arrangement is to be closely monitored by State Training Services STS field staff

Employers should provide the student’s school with written agreement to the above requirements before the School Based Traineeship is registered.
