Traineeships in sport and recreation are for students who are interested in acquiring the skills to work in the fitness, sport or community recreation industries. These school based traineeships are pathway qualifications that prepare trainees with the underpinning skills for a range of sporting and fitness activities.

Working in the Sport and Recreation industry involves:
- customer service, administration and basic exercise for the fitness industry
- movement analysis and planning and implementing exercise activities
- maintaining sport and recreation facilities
- creating promotional materials and selling products and facilities services
- a range of officiating and sport-specific competencies

School Based Traineeships available within Sport and Recreation
- Sport, Fitness & Recreation - Sport & Recreation Certificate II (SIS20310 NRT)
- Sport, Fitness & Recreation - Outdoor Recreation Certificate II (SIS20210 NRT)
- Sport, Fitness & Recreation - Sport (Coaching) Certificate II (SIS20510 NRT)
- Sport, Fitness & Recreation - Community Activities Certificate II (SIS20110 NRT)

Outcome
- A career path into the Sport and Recreation industry.
- Articulation into various Certificates III Traineeships in Sport and Recreation, Outdoor Recreation, Sport Coaching, Community Activities, plus potential advanced standing into Certificate III Sport and Recreation – Fitness.

Course Delivery
Both on the job and off the job and can be delivered face-to-face, flexibly or mixed mode

Commitment required
Undertake a minimum of 100 days in paid employment and training.
Undertake the relevant Certificate II Sport, Fitness & Recreation VET course as part of your HSC.
The employment and training can be undertaken during school time, after school and during school holidays.

How will you be assessed?
Assessment will be both on-the-job and off-the-job through written tests, project work & practical exercises.
